October

From the classroom of: Mrs. Benjamin and Ms. Sturdivant

During October We Will . . .

→ Continue to build our social skills by interacting with peers and developing a sense of independence by choosing activities on our own.

→ Begin to learn and explore different things about the parts of our bodies.

→ Explore in different centers as we learn how to get along with one another by sharing and using kind words.

→ Identifying colors, shapes, how to sort by one or more attributes, and recall the letters in our names.

Helpful Hints and Friendly Tips

- Our first unit is called "All About Me."
- We are learning a lot about ourselves and our friends. We are learning all about how we are different and how we are the same. We are exploring with different body parts such as our head, eyes, nose, mouth, arms, hands, legs, and feet.
- We're reading different books such as "I Like Me" and "I Like Myself."
- Please make sure that your child has an extra set of weather appropriate clothing at school.
- We're slowly moving into the fall season. The weather is beginning to change so please wear layers of clothing to school daily.

Classroom Needs & Reminders

- Please keep in mind that our day starts at 7:15am and ends at 2:45pm. Please allow your child to get the most out of their day by arriving to school on time and staying until dismissal.
- Please keep in mind that each parent will need to have 4 classroom visits for the school year or more and each student should read 100 books for the school year.
- Some of our students have read 20 books already! We are so proud of you!
- Please keep reading those FRED books and signing reading logs with your signature only.
